Dear Parent/Carer,

Year 6 are working incredibly hard to ensure they are ready for secondary school and their SATS at the end of the year.

To support your child we have highlighted below some books that would help your child prepare for their SATS. By purchasing these through school we are able to offer them to you at a highly reduced rate.

We do recommend purchasing all of the books listed below as these will be used for homework activities and class based activities. If you do not wish to purchase them all and are unsure which books your child needs, please speak to Miss Gabriel.

Please complete the form below. Tick in the third column to show which books you would like to purchase and return the money to school by **Monday 18th December**.

Thank you for your continued support.

Miss Gabriel
