Thursday 13<sup>th</sup> February 2025

Dear Parents and Carers,

Please find attached the new school dinner menu which will take effect from 24<sup>th</sup> February 2025. The price remains unchanged although is likely to be reviewed for September 2025.

There are usually 3 choices each day but you will notice that on a Tuesday and Thursday there are now 4 options to choose from each week.

Children in Reception, Year 1 and Year 2 are still currently entitled to a free meal which is covered by a Government scheme UFSM (Universal Free School Meals). We have a number of children who do not currently take advantage of this scheme so if you would like your child to give it a try with the new menu this could be a good time.

Please note that whether your child receives a free meal, under the Universal Free School Meal initiative, or if you pay for meals, your child can still book this on a daily basis. They can order a meal as little as once a week or as often as required.

If you think you may be entitled to Free School Meals please call into the school office where the staff will be happy to help with an application for you. This is usually for parents who are in receipt of Universal credits. This scheme is called the Pupil Premium Grant which is used primarily by school to help children eligible for the PPG achieve academic success similar to their peers.

We always welcome any feedback on the menus so please do come and let us know if you can.

Thank you

Yours sincerely
