Dear Parents and Carers,

I am delighted to inform you that we have secured an interactive drama workshop as part of our history learning on the Great Fire of London for Thursday 28th November.

The children will be delving into the past where they will create scenes to learn about the Great Fire of London using props, explore the time line of this historical event, bring historical figures back to life, learn how the fire was finally put out and what happened after.

The hands-on workshop will truly bring children's history learning to life complementing the activities planned for the rest of the half term.

The cost of the drama workshop will be £10.00. We kindly ask that you pay this via SchoolComms no later than Monday 25th November.

If you have any questions regarding the workshop, please do not hesitate to speak to me.

Thank you for your continued support.

Miss Smyth
