7th November 2024

Dear Parents and Carers,

I am delighted to inform you we have arranged a History workshop, to be held at school, for children in Years 4, 5 and 6 on Monday 18th November.

Based on the topic of ancient Greece, the children will have the opportunity to investigate how the rich and poor lived nearly 2,500 years ago. The morning workshop focuses on making and role play. The pupils will be met by the Archon of the city, who will guide them around the Agora. After a short introduction the children will engage in a series of activities and role play that will immerse them in history. While working, the pupils will also be spreading news and asking questions to learn more about Ancient Athenian culture. During the afternoon session pupils will recreate the **Festival of Dionysus**. Pupils will practice and then perform plays, dances and poetry of the Athenian festival.

The cost for the workshop is £10.

Attached is a leaflet detailing how the children can prepare for the workshop and create their own costume.

We kindly ask that you pay this via School Comms no later than 15th November 2024.

If you have any questions regarding the workshop, please do not hesitate to speak to me.

Thank you for your continued support.

Mr McKew
