**25<sup>th</sup> JUNE 2024 13:30 - 15:00 SCHOOL HALL**

**ALL WELCOME**

Sometimes seeking help and advice for your family can be a minefield. Please come along to this information gathering afternoon where 3 guests will share valuable information with you on where and how to get help and support when you need it.

**Supporting Links** - a talk on children's sleep

**Mental Health Support Team** - what's on offer through our school

**Gade Schools Family Support** – who we are and signposting

**Supporting links** - <https://www.supportinglinks.co.uk/index.html>

We are a local Social Enterprise, providing parenting support through courses, workshops and 1:1 mentoring of parents and children throughout Hertfordshire and the surrounding area. Dawn Pickles has a wealth of experience and has shared advice on eating and behaviour in previous sessions.

**Mental Health Support Team** – Nellie, is our very own mental health practitioner who comes to George Street every Tuesday. How can you tap into what she offers? – come along to hear her talk about promoting good Mental Health in our children and how she can help your child.

**Gade Schools Family Support** - <https://www.gadeschoolsfamilysupport.co.uk/>

Our Schools Partnership works with the local community and other organisations to provide children, their families with a range of services and activities that will help improve children's achievement, wellbeing and more opportunities to succeed in a wide variety of areas. Julie will tell you more about the service, how it works and where else you can seek support.

No need to RSVP just turn up. How many people attend will indicate if this is something that is of use or not.
