2nd February 2024

Dear Nursery Parents,

It is with great regret that I have to cancel your scheduled February's parents evening due to staff absence.

Mrs Haynes will continue to be the friendly, constant adult for your child at this time and I will do all I can to try to find a supply teacher who is able to offer some longer term commitment. I will keep you posted on staffing as and when I can.

It is my intention to have a nursery open morning, in the next half-term, to invite you into school and see your child in their nursery environment. Please look out for details to be sent out after the February break.

Best wishes,

Angela Hughes
