Making Sense of Numbers

Do you live in Hertfordshire, aged 19 or over
and don't hold a L2 or equivalent in maths?

Come and join us for a 2-hour workshop to
improve your confidence and understanding of
basic maths.

The workshop will cover:

- How maths is taught in different settings – KS1 & KS2
- Number and place value
- Mental addition and subtraction
- Division by sharing and grouping
- Fractions
- Rounding numbers

George Street Primary School

Information Session for Parents

Tuesday 21st November - Drop off until 10am

Numbers Workshop

Monday 4th December - 9:30-11:30am

If you are interested in attending or learning
more about the project please email
