18th June 2025

SPORTS DAY FRIDAY 20TH JUNE 2025

Dear Parents,

The forecast for Friday is to be hot, with BBC weather reporting brilliant sunshine, and a high of 25C. The original sports day plan factored in the possibility of it being hot – no matter what day we set for our sports day, it is always hot! Each class can complete their races over a 30-40 min period. There is also more than sufficient shade for children to sit in, in between their races – we may need to make some more room under the shade for adults.

Ice lollies and fruit will be given to the children but there will also be ice-lollies on sale (50p each). If you have a cool box you would be happy for us to borrow, and ice packs, please can I ask you to drop off at the front office on Friday morning.

Without stating the obvious, please can you ensure all children have a sun hat and have had sunscreen applied before coming to school on Friday. Please ensure they have a water bottle than can be easily refilled throughout the day.

The only change to the letter sent out on Tuesday 10th June, is Y3 and Y4 will complete races 13:00 – 13:40 approx and go back into class.

Y5 and Y6 will start their races at 14:00. They will go into class after the picnic lunch and then come back out at 14:00.

We look forward to seeing you then.

Kind regards,

Angela Hughes
