## World Book Day March (Thursday 7<sup>th</sup> March 2024)

Dear parents/carers

World book day is on Thursday 7<sup>th</sup> March and our theme this year is Storytelling. Throughout the day the children will be taking part in a variety of activities related to storytelling and creative writing. They will have the opportunity to listen to a range of teachers read stories, share stories with other year groups as well as writing and sharing their own stories.

### Dress Up

As our focus is on Storytelling, we would like the children to dress up as a fictional character. This could be their favourite character, a character from a story that they know or simply a fictional character that they have heard of. There is no requirement to buy a costume for your child to wear and their outfit can be as simple or complicated as they would like but please ensure they know who they have come dressed as. If your child is dressed as a character from a book that they own, they are welcome to bring this book to school with them, as they will have a chance to share this book throughout the day.

We hope that this will be an exciting and inspiring World Book Day where the children can immerse themselves in storytelling and creative writing.

Yours sincerely,

Mr Humphreys  
Assistant Headteacher
