Dear Year 4 Parents,

I wanted to clear up any miscommunication that may have come about with regard to the Year 4 residential. The first deposit deadline has been and gone and 85% of deposits have been received - as such we will be going ahead with the residential trip as planned to Kingswood Activity Centre in Aston Clinton.

We fully appreciate that it is a costly trip but do feel the value of the trip outweighs the actual cost. We have ran this trip for many years and with overriding positive feedback from the children.

Best wishes,

Angela Hughes
Headteacher
