

Dear Parents & Carers,

**Welcome from Radish – Your new School Caterer**

We are delighted to announce that Radish will be your new school caterer from 1<sup>st</sup> September 2023.

Radish is a boutique contract catering provider built around the philosophy of bringing people together through good food.

We understand the important role that food plays in how we feel and how we perform, so getting the right nutrition is vital to fuel your pupils and staff to help them be at their best.

We're big on creating the right dining experience and offering educational elements to our food to encourage pupils to try new and exciting meals, all tailored to your School via our added value activities and themed menus.

Our aim is simple... to encourage children to discover diverse and delicious healthy food, whilst actively supporting schools in educating the benefits of a healthier diet. In doing so we hope to change children's perception of food.

We will ensure that every child that dines with us is well-fed, fully sustained and ready to learn and set for the challenges of each school day. We have a humble philosophy – children should never miss a meal.

We really look forward to working with your school and delivering healthy meals to our little customers.

Yours Sincerely,

**Rebecca Bridgement**
