Dear Parents and Carers,

I am delighted to inform you that we have secured a full day interactive drama workshop as part of our history learning on the Great Fire of London for Wednesday 15th October.

Through drama, the children will meet the people of the time (such as King Charles II and Samuel Pepys), establish a timeline using key events and people, explore the experiences of those that suffered through the fire and look at the physical effects of the fire.

The hands-on workshop will truly bring children’s history learning to life, complementing the activities planned for the rest of the half term.

The cost of the drama workshop will be £13.50 (PP £10) We kindly ask that you pay this via the school gateway app no later than Wednesday 8th October.

If you have any questions regarding the workshop, please do not hesitate to speak to me.

Thank you for your continued support.

Miss Darvill
