Thursday 23rd October, 2025

Dear Nursery Parents and Carers,

We would like to invite you to a nursery open morning on **Wednesday 5th November 9-10am**. This is an opportunity to see how your child has settled into George Street nursery. There will be a chance to have an informal chat with staff on duty that day, namely: Mrs Handel and Mrs Boyle.

Many parents have commented on how much they like Tapestry and we hope that our uploads on what your child is up to, is providing you with regular updates and a good insight into their day however, we know there is nothing quite like seeing your child in the actual environment and watching them interact with staff and peers so we hope you can join us.

On the day, our focus will be on communication and language so we will start with a shared story and then there will be provocations for child-initiated play that allow the child to explore through play, ways in which their can develop their communication skills – this might be through role play, reading other similar stories, small world play etc. There will be questions posed at the individual tasks that might give you ideas of things to ask your child. Please feel free to let your child guide you in how they would like to interact with an stimulus and let them ‘show off’ their classroom. Don’t be shy, ask the staff why certain activities have been laid out and what aspect of learning you might be looking for when children engage in specific activities. We can talk for hours about these things so you might have trouble getting us to stop!

If you have specific concerns about your child’s learning then please ask for one of the teachers to call you to discuss in private.

We hope you will be able to join us for this nursery open morning.

Kind regards,

Angela Hughes
Headteacher
