Dear Parents or carers,

I am very excited to let you know about a Christmas Live event we have planned for the children on Thursday 11th December. Each child in the school will have the opportunity to meet the characters from the Nativity story and hear the account of Jesus' birth told from their perspective. As part of our teaching in RE this half term we have all been learning about what Christians believe and why they celebrate Christmas. This will bring this learning to life for the children. To support the running of this event we ask for a voluntary contribution of £1 a child. Please pay for your child's contribution by 5th December via the school gateway app.

Many thanks for your support
