

GEORGE STREET NEWSLETTER

Thursday 13th November 2025

Dear Parents,

Here we are, firmly in the second half of the Autumn term. The leaves have all but fallen and we are starting to hear the whispers of 'Christmas' as we start to look ahead into the not-too-distant future.

It's a busy time for all, so please look out for notices in the newsletter, texts, letters and notices on display in the school garden so that no-one misses out on the fun.

Angela Hughes
(Headteacher)

RECEPTION INTAKE SEPTEMBER 2026

So far we have had two Reception tours this month, with one final tour on 26th Nov – if you know of any families that would like to be considered for George Street for September 2026, please direct them to our office to book a place on the final tour.

BEST START IN LIFE

This is a Government information hub that has advice and support on children's development.

<https://www.beststartinlife.gov.uk> Have a look at this resource for parents.

NURSERY OPEN DAY

Thank you to the many parents that came to see their little one in situ. The children have grown and developed so quickly already and established their new routines so well.

NUT FREE SCHOOL

We have children (and adults) with allergies in school and in order to keep them safe, we would like to remind you that we are a **nut free school**. This includes products such as Nutella...PLEASE check labels carefully.

ADVENTURE PLAYGROUNDS Yr5 & Yr6

Once a week, playground leaders from the local Adventure Playgrounds run a lunchtime session for Yr5 & Yr6. They would like to encourage more children to come along to their youth clubs but children are feeding back they are not allowed to. They've asked me to try to find out what some of the barriers are. If you had a minute could you drop an email into the office or come and speak to them just to say what might stop your child attending.

HARVEST FESTIVAL

We had a lovely trip down to St Mary's yesterday to have a whole school Harvest Festival. Food will be donated to the Salvation Army who will come and collect next week. Thanks to the parents who helped.

PARENT REPRESENTATIVES

We have parent reps for Reception, Yr2, Yr3 so far. Our first meeting is 20th Nov. If there are any parents from other classes wishing to join us, please let the office know.

Generation to Generation Y6 Guest speaker

G2G provides Holocaust speakers for schools and educational events to create awareness around the Holocaust and to inspire younger generations to have greater understanding and tolerance. Judith our speaker told of her family in 1938, in Austria. This was a timely visit that followed our special Remembrance assembly on 11th Nov.

HALLOWEEN DISCO

Thanks to our new FOGSS chairs: Dee Colley and Sarah Jones who arranged for a fantastic Halloween disco for all children. We raised approx. £1100. Thank you to all who helped out.

BELIEVING IN EVERY CHILD – Pupil & Value of the week

Pupil of the week
