

# GEORGE STREET NEWSLETTER

Thursday 27<sup>th</sup> November 2025

Dear Parents,

Another busy two weeks since the last newsletter and lots to share with you. Read on to see what has been happening. As this is likely to be the penultimate newsletter of the year, you might find the upcoming dates a good reminder of what is coming up between now and the end of term. Also don't forget to use the notice board as a reminder of the upcoming week's events.

## Scholastic Book Fair

Our book fair was a huge success and it raised a whopping £471 which we are able to use to replenish our book stock across the school but also to offer a £5 scholastic book voucher for every child who completes the Library Summer Reading Challenge

## YEAR 1 TRIP

Year 1, on Wednesday 26th November, went to the Discover Bucks Museum in Aylesbury to take part in a Toys Through The Ages workshop.

Having travelled in style on the top deck of a double decker bus (there was a lot of excitement!) we first placed several toys on a timeline ranging from Roman times through to present day.

Next we sorted collections of toys into the materials they were made from. We also wrote describing words for each of the toys provided for us. The most exciting part for the children, was making their own toy! They each carefully coloured, stuck and constructed their own device to play with! Lastly, we all enjoyed a '90's exhibition whereby we saw many toys, media, clothes and food items from the 1990's! This was the adults favourite part! Miss Armstrong and Mrs Buckley both saw coats they had worn during that time on display!

The children said the trip helped them understand their history topic of looking at toys from the past and materials in Science and we are sure they'll enjoy writing up their trip next week in English!

### SMARTIES CHALLENGE

Over the half-term break we asked our pupils to complete some tasks around home or show acts of kindness to earn multiples of 20p to fill up their Smarties tube. Thanks to all who took part: you raised **£140!** Well done!

### NEIGHBOURS BINS OBSTRUCTING PATHWAY

It has been brought to our attention that the flats adjacent to school often leave their bins on the pavement, obstructing the pathway to school. School has reported this to the local council who have promised to look into the matter.

### TIGSY BLOSSOMS

Well done to one of our parents businesses 'Tigsy Blossoms' they have been shortlisted for the 'best trade' award, if you would like to vote for them to win this award, please do so here <https://forms.gle/rgJNTThezKbNVqgg8> voting take less than a minute. Voting closes 12pm on the 1st December 2025.

### PARENT REPRESENTATIVES

Thanks to the 3 parents who were able to attend last week. We had a productive conversation around communication. It was good to talk through both what parents believe we are getting right and those areas where we could make some improvements, thankfully there was much to celebrate. We are still looking for Parent Reps from Y4,5 and 6.
