6<sup>th</sup> October 25

Dear parents

We know our parent community is full of talented, skilled, and resourceful people — and we’d love to tap into that!

Are you a musician, carpenter, paver, tree surgeon, tech wizard — or do you run a business that might be able to lend a hand or donate time, materials, or expertise? Whether it’s fixing up a play area, presenting at an assembly, or offering support behind the scenes, there are so many ways your skills (or your company’s) could make a big difference at George Street.

Big or small, we’d love to hear how you might be able to help. Let us know what you do and how you might get involved by filling out this quick form:

<https://forms.gle/cATGrwkbkWZVwF29>

Thanks so much — we’re stronger together!

Kind regards

Angela Hughes
