5<sup>th</sup> February 2026

Dear Parents and Carers,

We are pleased to invite you to our sculpture gallery and view your child's completed piece of art from this term's focus on sculpture.

Throughout the term, learners have been exploring creative design, construction techniques, and self-expression through sculpture. They have worked thoughtfully and enthusiastically to develop their final pieces, and we would love for you to see the results of their hard work.

Date: 13th February 2026

Time: 14:50

Venue: School Hall

This will be a wonderful opportunity to celebrate your child's creativity, effort, and learning progress. Your presence means a great deal to the children and helps reinforce the value of their work. If you wish to return to the hall with your child when they are released at the end of the day, then please feel free to do so. Children should be collected as normal at 3:15 from outside their classroom door before joining you to see their artwork.

This year, we have been very fortunate that one of our parents, who is a professional artist, was able to work with year 6. This is part of our personal development programme, offering children the chance to explore their creativity and learn about more unusual careers they may wish to pursue in the future.

We look forward to welcoming you and sharing this special moment together. Should you have any questions, please feel free to contact the school.

Thank you for your continued support.

Angela Hughes
