Thursday 12th February, 2026

Dear Nursery Parents and Carers,

We would like to invite you to a nursery open morning on **Wednesday 4th March 9-10am**. This second open morning will be focusing on 'Maths In Action'. Ms Handel will share with you how you can support maths skill acquisition in everyday life. There will be a chance to have an informal chat with staff on duty that day, namely: Ms Handel and Mrs Boyle.

The session will follow the format of the previous open day; essentially a chance to see how your child is taught early maths and for you to spend some time completing related activities.

As always, please feel free to let your child guide you in how they would like to interact with any stimulus and let them 'show off' their learning.

If you have specific concerns about your child's learning then please ask for one of the teachers to call you to discuss in private.

We hope you will be able to join us for this nursery open morning.

Kind regards,

Angela Hughes
Headteacher
