Believing In Every Child

Dear Parents, Have we only been back two weeks??? We've so much to share with you, so without further ado...read on!

BRILLIANT CLUB

12 of our pupils across Y5 and Y6, following their studies on fairness in autumn term, were invited to UCL to graduate. We are incredibly proud of their achievements.

SCREEN ADDICT GEORGE STREET TALK TO PARENTS

We have had a disappointingly low number of interest shown. I have regular conversations with parents around screen time and the recognition of the negative impact screen time can have. I would be extremely interested in receiving any feedback about why this has not landed as I anticipated. If you would like to sign up please do so via this link:

YEAR 6 HAZARD ALLEY

Year 6 visited Hazard Alley, Milton Keynes yesterday. This trip is part of our personal development programme to help children, as they grow in independence, to make safe and informed choices.

RABBI ADAM

Rabbi Adam from St Albans Synagogue visited school on Tuesday 26th February. He shared customs and traditions that are celebrated by the Jewish community first with the whole school in assembly and then he spent time with Year 4 and Year 1 where each class had the opportunity to ask him questions about The Torah and Shabbat, inline with the RE curriculum taught last half term.

CHOIR - CENTRE IN THE PARK

Our school choir were invited down to sing for the users of the Centre In the Park last week. I heard they were so good that an encore was demanded. This connection with the community, is part of our personal development programme and allows different parts of the community come together.

ADVENTURE PLAYGROUND

On Mondays and Tuesdays until the Easter break, we will have two leaders from the local adventure playground coming in to run lunchtime sessions for the children. More information on groups etc to follow.

NURSERY OPEN MORNING

Thank you to all the parents who turned up to our maths focused open morning. It was superb to see such a wonderful turn out to see our youngest mathematician at work. Mrs Handel will send out through Tapestry, some suggested follow up activities you could do at home.

GLO DANCE

Last week, KS1 took part in an energetic GLO DANCE event in our school hall. This is provided through our DSSN subscription which we use our sport's premium to fund.

YEAR 1 GADEBRIDGE PARK VISIT

To help year 1 do some lived experience writing, they visited Gadebridge park yesterday and collected ideas and vocabulary. We look forward to seeing the fantastic writing outcomes.

UPCOMING DATES – W/C 9th March – Y5 & 6 Bikeability, 18th March – Voice in a Million

Attendance – Spring 2 to date

YR – 94%
