26th March 2026

Dear Reception and Nursery Parents and Carers,

We would like to take this opportunity to remind everyone of our expectations during drop-off and pick-up times.

As a school, we are committed to promoting a safe, respectful, and nurturing environment for all children. These values extend beyond the classroom and apply to all interactions on school grounds.

We kindly ask that all conversations taking place in and around our school are appropriate for young children to hear. In particular, we ask that language or discussions which are inappropriate or reference and encourage physical aggression, whether between children or adults, does not happen. Children learn a great deal from what they see and hear, especially from their adults and it is important that we consistently model calm, respectful ways of managing conflict.

We also ask that **all adults** conduct themselves in a way that reflects our school values of being ready, **respect and safe** at all times while on site.

We appreciate your support in helping us maintain a positive environment for our whole school community.

**Angela Hughes**

**Headteacher**
