7th May 2025

Dear Parents and Carers,

We would like to invite you to attend an information evening on Monday 18th May at 17:30, where we will share everything needed to ensure your child feels prepared and ready for this exciting experience.

We hope you will find this session beneficial in helping you talk to your child about the trip and feel equipped to answer any questions they may have.

We understand that for many children this may be their first time away from home, and this can be a big step for both children and parents. We continue to believe that this experience provides a valuable opportunity for children to develop independence, confidence, and lasting memories.

There will be time during the evening to ask questions and discuss any concerns you may have. We strongly encourage all parents and carers to attend.

We look forward to seeing you there.

Best wishes

Angela Hughes
Headteacher
