**Believing In Every Child**

Dear Parents,

My goodness, where has this half-term go. We will stop for half-term next week and the weather is to be nice so I hope you all have a great break and recharge the batteries ready for our longest and busiest half term.

**Y1 – POLICE VISIT**

On Monday 11th May, Year 1 had Policer Officer Vass and his PCSO colleague join us to explain how the Policer are safe people to ask for help. We have been learning about how to keep ourselves safe in many circumstances and they helped us to learn that the Police and other emergency services are all there to help us. Year 1 asked some great questions and practised their fabulous oracy skills too 😊

**Y5 ASDA TRIP**

On Tuesday the 19th of May, Year 5 made their own homemade bread rolls. Over the last few weeks, we have planned and budgeted on how to create a health sandwich from scratch at home. We all took a trip to Asda where we bought our ingredients. Back at school, we measured and mixed our flour and other dry ingredients to create a dough which was left to rise. This was divided into 6 portions and baked. Once cooled, we added our fillings and enjoyed the best part...THE EATING!

**YEAR 6**

Although Year 6 had a hard week sitting their SATs, they participated in many fun activities. They had a boxing session, which many of the children thoroughly enjoyed. The children also had the opportunity to choose to do a dance class or a rugby session. The children learnt many skills in rugby and the children who choose to do the dance class, learnt a routine. The children expressed their enjoyment of these sessions and it was a great way to relieve any anxieties during the SATs week. They finished the week with a party to celebrate their hard work and success!

### RECEPTION - BEKONSCOT TRIP

Reception visited Bekonscot Model Village this week to explore their topic of 'Transport'. The children were able to spot a variety of different vehicles including planes, trains, boats, cars and even a horse and cart. We took part in a workshop linking to our key text 'Oi! Get Off Our Train!' where children acted out the story using props. To finish our trip, we rode the light railway and visited the role-play train station. They behaved exceptionally well and we even got several compliments from members of the public.
