Dear Parents and Carers,

Following the recent Ofsted inspection, and the resignation of Kevin Hallahan as the Chair of Governors, we are delighted to share that we have been elected by the governing board as the new co-chairs at George Street. We would like to thank Kevin for the time he committed whilst chair at the school.

We recognise that having co-chairs is new to the school but hope that by collaborating we can use our experience and knowledge to fully commit in leading governance the way the school deserves. As you are aware, we received 'needs attention' in 'Leadership and Governance' from Ofsted and we have taken this feedback seriously. We have a plan in place to make improvements and have already started to work on this both as co-chairs and as a governing body.

We would like to take this opportunity to share our appreciation for the staff and all that they do for the children at George Street. We will continue to work with them to ensure the best outcomes for all of the children in our school community.

We feel grateful to be able to embark on this journey together, and we are open to receiving any comments, questions or suggestions that you may have.

Thank you for your continued support.
