Dear Parents and Carers,

We hope you have enjoyed reading about your child's learning this year in their end of year report. This report will give you information on how they are performing in school, across all subjects. It also shares with you their attendance which is a statutory requirement. Any child with attendance less than 90% is deemed as a having persistent absence and this can come at a cost. It is reported that persistent school non-attendance is associated with child, adolescent and adult mental health difficulties. (*The British Psychological Society*)

We welcome your constructive feedback about any aspect of your child's report. Even if you don't want to comment, please can you confirm receipt of the report by completing this google doc by 20th July 2026 5pm.

Should you wish to discuss any aspect of your child's report please call the office to arrange to speak to the class teacher in the first instance.

Best wishes,

Angela Hughes
