Thursday 1st October, 2026

Harvest Festival Thursday 15th October, 2026

Dear families and carers,

On Thursday 15th October, all of our classes from Reception to Year 6 will be walking to St Mary's Church to celebrate Harvest Festival. Due to the capacity of the Church, we are sadly unable to invite you all, although we would like to ask for some volunteers to walk with the children. We will be leaving at 9:45am and should return to school by approximately 11:20am.

If you are able to volunteer to help support on the day, it may be that you will walk with a different class to your child's, depending on how many volunteers we have and where we need the most adults on the day.

Please let the office know by the end of the day on Monday 25th October if you are able to volunteer. We will then confirm your help is needed and provide you with details of the day so we can safely walk our children to the Church. We will aim to get back to you by Friday 9th October.

We also invite the children to bring food donations, as we do every year, if it is possible. We recognise that this may not be possible, and there is no expectation for donations; our focus is on coming together as a school and singing in our beautiful local Church. This year, we are donating to the local Salvation Army group.

We would like to collect any donations in school between Monday 12th and Thursday 15th of October. Suggested items can be found on the back of this letter.

Thank you for your support,

Miss Bunclark

Suggested items to donate:
