Believing In Every Child

Dear George Street Families,

We are tearing our way through the first half-term. We hope all our children are feeling settled into their new routines. Read on to find out what everyone has been up to.

BIG HAIR DAY

Last Friday there were some fantastic hair dos, staff and children alike. This was to raise money for children with cancer. Thank you all for your generous donations, we will advise how much we made once counted.

OUTDOOR LEARNING

Yesterday was the launch of our Outdoor Adventurous Activities course. Children from reception to year 6 took part in a fun introductory event, appropriate to their age and stage, so they could become familiar with using maps and orientation using the markers specially set up for EYFS, KS1 and KS2. This programme also offers a wealth of active learning activities linked to maths and English and special days. Even staff had a turn at staff meeting this week, so we are all enthused and ready to see the advantages this adds to our curriculum.

READING WORKSHOPS

Thank you to parents from Reception and KS1 who attended their respective child's reading workshop. We hope you have found them to be useful in supporting your child's learning journey where ever they are. Please do keep reaching out to staff if you have further questions, together we make a great team in helping your child to learn to read.

Y6 CRUCIAL CREW

On Wednesday, we went to the fire station which was really fun because we got to meet real police and fire safety staff. We learn how to stay safe by water and how to save lives if someone falls into the water. We also got taught how to do CPR and even tried doing it ourselves. My favourite thing was definitely being asked questions by the police and wearing drunk goggles. Emily Year 6.

Y2 GREAT FIRE OF LONDON WORKSHOP

Year 2 thoroughly enjoyed their Great Fire of London workshop on Thursday 24th September. The children learned about the events leading up to and during the Great Fire of London through re-enacting and engaging story telling.

HEALTHY START

If you're more than 10 weeks pregnant or have a child under 4, you may be entitled to get help to buy healthy food and milk.

If you're eligible, you'll be sent a Healthy Start card with money on it that you can use in some UK shops. You'll get money added onto your Healthy Start card every 4 weeks. <https://www.healthystart.nhs.uk/>
