

GEORGE STREET NEWSLETTER
Thursday 17th September 2026
Believing In Every Child

Welcome to academic Year 2026–2027

Dear George Street Families,

We hope that by now our new families are beginning to find their rhythm, learn the routines and, most importantly, feel part of our wonderful George Street community.

For our existing families, we know that moving into a new year group can bring a mixture of excitement and a little apprehension. New routines, new faces and new expectations can take a little time to get used to!

Our curriculum newsletters and Meet the Teacher information, shared during the first week, are there to help you find your feet and keep you up to date with what your child will be learning and what is coming up.

KEEPING YOU IN THE LOOP

We know that George Street is a busy little school! And with many families also juggling children at other schools, there is lots to remember. To make communication easier:

Communication Day – Thursday

Where possible, we aim to send our main school communications on Thursdays.

Website Calendar

Important dates, including term dates for this year and next year, are added to our website calendar.

School Garden Display Board

As you enter school, take a look at our display board for the weekly events. Families have told us that this is a really useful reminder!

Class WhatsApp Groups

Many classes have created WhatsApp groups. Please note that these are parent-led groups and are not a school communication channel.

OUR PARENT REPRESENTATIVES

We invite each class to have a parent representative who can meet with us three times a year. This is a great opportunity to share ideas, feedback and suggestions and help us continue to develop our school community.

ATTENDANCE MATTERS

At George Street, good attendance is a priority!

Every day in school gives children the opportunity to learn, build friendships and develop socially and emotionally. The higher a child's attendance, the more consistently they can access the learning and experiences that help them reach their potential. 📄 ✨

Please remember that holidays taken during term time will be recorded as unauthorised absences. There is also increasing pressure on schools to issue Fixed Penalty Notices for term-time holidays

Thank you for helping your child make the most of every school day! 💙

 Mrs Hughes
Headteacher
